Dear Supporter of the Red Knights,

First off, thanks for helping make our 6th Country Western Night a huge success last year. We raised over \$10,000. The Rockland County Chapter (NY18) of the Red Knights International Motorcycle Club formed in December of 2003 to promote fellowship of “firefighters” who enjoy motorcycle riding as a group. Our chapter is comprised of firefighters throughout our region. One of the requirements and goals of the Chapter is to raise funds for a firefighter or a member of our community who is in need of assistance. 100% of our proceeds go to our recipient.

This, our 14th Annual Fund Raiser and 7th “Country Western Night” is dedicated to a young firefighter Will McCue. Will was fulfilling his dream of becoming a firefighter and joined Rockland Lake Fire Department. He quickly realized that he needed more action and regrettably resigned and joined New City Fire Department, one of Rockland’s busiest. Tragically, Will’s firefighting dream has been placed on hold... flu-like symptoms progressed into pneumonia which in turn caused his body to turn against himself in the form of “SEPSIS”. It ravaged him and forced amputation of both his feet, one hand and all the fingers of his other. He then lost a battle to save his leg. He is 19 years young and just started rehabilitation at Helen Hayes Hospital. Please pray for Will.

The Rockland Chapter of the Red Knights (NY18) in conjunction with the New City & Rockland Lake Fire Departments, have decided to do everything in our power to help and assist in alleviating some of the financial burden.

New City Fire Department and the Red Knights are sponsoring a Country Western Night PLUS Rockland Lake Fire Department will be contributing by celebrating the WET-DOWN of their newest acquisition “14-1250”, a 2018 Ford/Danko Emergency pumper. There will be live music by Country Fresh. Plenty of food and drink, a Tricky Tray, door prizes, a 50/50 and more and a special guest appearance by Paul Teutul, Sr. of OCC. This event will take place at the Rockland Lake Firehouse on Landing Rd behind Rockland Lake State Park North on September 29th, 2018 (Saturday) 6pm to 11pm. Please attend. Admission for “ALL” is \$20. If you are unable to attend, **please consider making a tax deductible donation to “Friends of Will McCue c/o Red Knights NY18”**

Thank you for assisting in this community event and on behalf of all the Red Knights, New City & Rockland Lake Fire Department’s and of course Will, I remain...

Sincerely yours,

John P. Tobin
President
